property to its owner.

Rioting at Tripoti.

London, March 1.—Dispatches from Tripoti announce there has been serious riciting there, growing out of the issuing of a firman by the Sultan, making natives lisable to conscription, from which they have hitherto been exempt. Thousands of Aribs assembled outside the walls of the Aribs assembled outside the walls of the City domanding the withdrawal of the firmen. The Arabs had at encounter with the lacops, several being cliffed and many wounded. Europeans living in the vicinity have taken refuge in the city. Business is suspended.

Eastern Illneds railroad, upon which to commence the building of a plant for the manufacture of plant for the manufacture of the control to its and sweep in which a C. Hawkey is president, has assumed something of a national character. It is the intended of the control of the colored people never business is suspended.

Bissisted Watters.

den change of base was ewing to his breaking away from his training quarters and
gaing on a spree on Tuesday. It is said
Maher went out to work as usual on Tuesday increase, and according to custom,
went to play football in the atternoon. He
find not return to his training quarters at
the consonary hour. Madden and Fallon
waited patiently for fully another hour.
They started out to look for him. Fallon
found him is a highly hillsrious condition.
Maher was finally induced to break away
from his convival Irish friends. Fallon
and Maher reached Mentrak house, and the
former succeeded in getting Maher into his
room, when he turned on him. He caught
Fallon unawares and knocked him down.
As soon as he was down, Maher knoked and
As soon as he was down, Maher knoked and Railway company and the state board of best him in a frightful manner. He was inturated with rage and strong drink. Madden was returning stricous to see if any idings of his protoce had been greaned, when he heard the shouting and sculling of the strengling puglists. He reashed up stairs and dragged haber of his protoce had been freshed up stairs and dragged haber of his prostrato for in time to prevent any serious injury to Fallon. Madden's influence is creat over Mahor, and he soon persuaded him to go to ded. The puglists left East thimpton next day. Buher showed no trace of his debance.

Tallway commissioners have compromised the suit brought in the circuit court by the state beard to court by the state beard to count of rates on foilty.

A Trespasser Convicted—Smith Pleads Not Guilty.

Alex Lafferty, a "cullud pusson," was included to the state beard to court for the police court yesteroay on the charge of trespass. Lafferty was formerly employed by Dr. Higgins as hostler, but was discharged recently, and since then it seems that he has felt very bitter at the protocourt of has he was down, Maher kicked and raliway commissioners have compromis-

Bioleget peremptority overruled the mo-tion of counsel. It was, he said, within the province of Congress to prescribe the terms under which goods may be imported. Congress had power over the audient of taxation; also to declare what the func-tions of boards of appraisers should be. The case will go to the United States su-preme court.

Chicago Gas Matters. CHICAGO, March I .- The minority of the stockholders of the Economic Gas company declare the action of the city council last night forfeiting the company's charter, will not affect the agreement by which the minority is guaranteed 30 per cent above their investment. Mayor Washburn says the plant of the Economic company will furnish a good nuclues for a municipal gas plant, and he will hold its thirty miles of mains until compelled by a court to surpreder them. stockholders of the Economic Gas com-

The shooting occurred in the woman's com. She was heard singing, when sudcelly she shricked for help. Three pistol shots were heard, and the crowd on the street saw a woman, with blood streaming from her, climbed of the window and then fall stance of twenty feet to the street. The woman came to the bouse three works ago and this supposed Avok was her bushand. He left a letter sking that his parents at Aphy Avokian, British Turkey, Asia, be needed. He gave his brother's address as A. A. Vrakinn, Constantinople.

The Lense Arranged.

New Yone, March 1.—Late to-night it in Salt Lake county, neatly, accurately and was positively asserted the lense of the promptly furnished by the county recorder. Delaware & Hudson by the New York Central has been arranged on basis guaranteeing dividens on a scale beginning at 7 per cont. per annum and increasing in proportion to not earnings. Officials of the appearance of Hudson, however, deny absolutely no truth in the reports.
